Aerospace & Marine Department

Department Overview :

We have had a major presence in the Japanese aerospace industry for 50 years, retaining good relationships with all major heavy industries as well as Japanese government agencies, namely the Ministry of Defense, Japan Civil Aviation Bureau, and the Japan Coast Guard.

Our strength is in the defense and government market, where we leverage our strong partnership with world-leading aerospace & marine engine manufacturers such as Rolls-Royce and Honeywell. We strive to introduce leading-edge products from manufacturers like these to meet the demand of customers in Japan.

In the Aerospace & Marine Department, we provide diverse services, to satisfy the needs of customers, such as program development support, flawless logistics, continuous effort in introducing modifications & upgrades of products in operation and in, maintenance, repair and overhaul (MRO) support.

To ensure the success of foreign partners in Japan, we provide robust support and assistance to mitigate the business and cultural gaps between East and West, with opportunity research, strategy creation assistance, marketing & sales, development & introduction support, intelligence provision, and distribution transactions.

Major Product Portfolio :

Qualification and Certification :

Shintoa has been the member of TRACE to assure transparency. In addition, the Aerospace & Marine Department is JISQ9001 / 9100 certified to ensure quality service.
